

Laugh, Give, Support a Child

I am only one, but I am someone...
I can't do everything, but I can do something.

Recognizing that we cannot save the world,
we choose not to walk away,
but to help one child at a time.

One Child is a non-profit organization dedicated to providing disadvantaged children with new clothing and school supplies. One Child began in Fremont, California and now serves families throughout the Bay Area. Our goal is to promote self-esteem in underprivileged children, so they may appreciate their individual worth. Your help goes a long way in bringing joy to the lives of children.
